

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-833-2980 or 713-869-2592. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. | Important Questions | Answers | Why This Matters: |
|---|--|--|
| What is the overall <u>deductible</u> ? | \$750/individual; \$1,500/family | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . |
| Are there services covered before you meet your <u>deductible</u> ? | Yes. Most <u>preventive care</u> and hearing aids are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. |
| Are there other <u>deductibles</u> for specific services? | Yes. \$100/individual for dental. There are no other specific <u>deductibles</u> . | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services. |
| What is the <u>out-of-pocket limit</u> for this <u>plan</u> ? | <u>Network providers</u> : \$9,000/individual ; <u>Out-of-network providers</u> : \$30,000/individual | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. |
| What is not included in the <u>out-of-pocket limit</u> ? | <u>Premiums</u> , <u>balance-billing</u> charges, penalties for failure to obtain <u>preauthorization</u> , health care this <u>plan</u> doesn't cover and <u>deductibles</u> . | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> . |
| Will you pay less if you use a <u>network provider</u> ? | Yes. See www.uhc.com/find-a-doctor or call the phone number on your member ID card for a list of medical <u>network providers</u> . See www.VSP.com or call 1-800-877-7195 for a list of vision <u>network providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No | You can see the <u>specialist</u> you choose without a <u>referral</u> . |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
